

Advantra® BonDra™ – Bonded Beyond Limits

Advantra® BonDra™ hot melt adhesives are built for performance. Designed to meet the demands of modern manufacturing and packaging, they deliver strong, clean, and reliable bonds across a wide range of substrates - helping you optimize efficiency and protect product quality. With BonDra™, you get more than just adhesion, you get confidence.

	Sustainability	General Purpose	Fit for Purpose	Low Temperature	High Heat Resistance	Difficult to bond
